A Note From the Staff

Hello all, Mikalah here.

This is not a recruitment message (though a cleaner and a translator would be helpful for this series)

The previous groups (lychee, Harmonia) have chosen to romanize 天樂 as "Tianle", but we here at Niflheim have decided to go with the alternate romanization "Tianyue". Why have we decided to do this?

Well, first of all, Tianyue is the pinyin I get when I type 天樂 into Google Translate... Okay, that has no actual bearing on our choice for the final romanization, but... it's true.

Tianle - Heavenly Joy. Tian for heaven, Le for joy. This is actually probably more accurate, I just don't like the way the romanization looks in English.

Tianyue - Heavenly Melody. Tian for heaven. Yue means music.

Yes, they're both written the same way. Unlike Japanese, Chinese doesn't have this alternate pronunciation/meaning issue as often, so it's pretty difficult to know the intended pronunciation, especially without context.

It's not just me, I asked both of my other staff members on this series, Axlarar and Alexfilia, and both of them liked Tianyue more as the Romanization. If we ever decide to change it back to Tianle, I'll let everyone know Thanks!

Chapter 6

*I thought that I
was a terrible child,
for my mother to
punish me like that.*

*Sometimes,
I wouldn't do
either of those
things, and I would
still be hit.*

*When I was sad,
I could only let
the tears silently
fall. She would
hit me for that
too.*

*Around her, I
couldn't laugh too
loudly, or she would
have hit me.*

*My birth mother
wasn't a very
patient woman, nor
was her character
good.*

*isn't a
bad thing.*

*In front of family,
crying when you are
sad, and laughing
when you are happy.*

*When my
dad married my
stepmom and we
started living
together,*

*I learned
something
over time.*

*and I
never really
did anything
wrong.*

Gao Daxi!

Who do you think you are?

You don't look like a student at all!

Uncle...

Nice to meet you!

I'm Gao Daxi's homeroom teacher

Dai Ruohel

Ah, so you're his teacher...

Limm...

Right now, Daxi's mother's condition is more important...

Who are you?

wouldn't it have been better to just live with your father's parents?

I've been against your mother taking full custody since the beginning.

haha...

That's my job!

Don't say it like that!

SAY, DO YOU SEE HOW MANY PROBLEMS YOU'RE CAUSING?

How unbearable...

And now there's even a car accident to top it all off...

She's so busy she doesn't have the time to visit her parents,

You've turned into a real problem child.

I really don't know how your mother raised you!

Eh...

Ah...

Sir...

I'll go get some water for you.

Why don't you take a little rest first?

Um...

DO YOU UNDERSTAND HOW HARD HER JOB IS?

Paxi!

Come
with me.

No,

no need
to be polite.

Ah, thank
you...

*This guy...
he's rude
to Paxi.*

*Though to
others he's
unexpectedly
polite...*

?

Teacher,

*Here are
the keys.*

Can you
get a few
bottles of
water for
me?

They're
in my car
trunk.

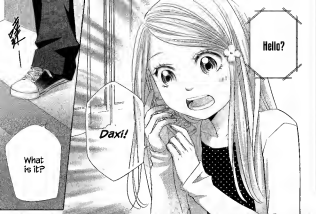

I'll just
wait here...

I'm already
used to my
uncle yelling
at me.

don't
worry
about it.

I'll
go and
find you
myself!

If you
try to
hang up,

What
is it?

Alright,
shut up!

What
would you
do if you
collapsed
again?

Are you
kidding?

You don't
even know how
to get here.

I'm not in
the mood
to carry you
right now!

I'll figure
out a way to
get there.

I know it's
a hospital
somewhere
in district B.

I'll hang
up first.

Then,

if anything
happens, just
tell me...

Yeah...

Tianyue...

Yes?

I wouldn't
have been
like this...

I haven't
been able to
do anything
for her yet...

En...

if she
dies like
this...

what
should i
do?

I'm so
scared...

Mmm...

Hello?

Okay.

someone's calling...

Tianyue!
Wait a bit,

beep

Gao
Daxi!

Your mother
is fine!

Although
she has a few
fractures,

and her
body is
still injured
in a few
places,

there's
nothing life-
threatening.

she'll be
completely
recovered
in a month!

She's
already been
transferred
to general
care

come
back,
quick!

旅空

.....

Hello?

Tiaryue is
still waiting
for me...

Ah....!

Thank the heavens!

That's great!

En...

Daxi!

You have to
take good care
of your mom,
okay?

Your dad
just told
me...

My mom is
fine now,

REALLY?

Dad isn't
here any
more.

So, Mom had
to work hard
to support the
two of us.

She even had to
bear the ridicule of
her family members...
she continued to raise
me despite that...

Yes...!

You like
noodles that
much?

Roast beef
+
ramen

Ramen!

But ramen
is the most
convenient!

Ramen is
a no-no!

It's not
healthy

Daxi, what
do you want
for dinner?

I have the
afternoon off
today

My mom
should rest
when she has
the day off.
It's nice to
work.

*that this
look on my
mother's
face would
quickly...*

*I made
some
extra
dinner...*

*Dad, are you
hungry?*

*Each then,
I should have
realized...*

*No
problem!*

*I already
ate!*

*Quickly
became
something I
was unable
to look
straight at.*

*I'm glad
that I can
still eat the
food she
cooks...*

But now,

*I'm glad
I have
another
chance to
make up
with her,*
